

*“Do not quench the Spirit . . .  
Test everything: retain what is good.”*

JULY 13 – 27, 2015

**Dearest Sister Rosaria, Sr. Maria Fe, Sr. Lina &  
Sisters of the Italian Province,**

As you begin your Provincial Chapter, we accompany each of you with our prayers and love. May this truly be for you a concrete encounter with God who continues to form and transform our religious family with the assurance of His gifts. Let the Divine unfolding of grace spontaneously speak of God's presence in your midst, and let His Word and inspiration fill you with wisdom that will guide and enrich the path of the Italian Province. May the intercessions of the Blessed Mother Mary and Fr. Founder keep you safe and steadfast.

**With love and affection,**

*Sr. Jesusita O. Cubillo*
